## EDUCATION

### Emory University: College of Arts and Sciences

Atlanta, GA

*Bachelor of Arts in Human Health, Minor in Nutrition Science*

May 2018

Cumulative GPA: 3.86, Dean's List 2015 - 2018

### School for International Training (SIT)

Bali and Java, Indonesia

*Study Abroad: Religion, Arts and Social Change*

Fall 2016

Conducted an independent research study on dietary habits, the progression of junk food, and changing health outcomes on the island of Bali, which was selected to be published online by SIT

## WORK EXPERIENCE

### Forkable

San Francisco, CA

*Operations Manager*

Nov 2019 – Present

*Associate General Manager, Silicon Valley*

Jul 2019 - Nov 2019

- Promoted within six-month timeframe; expanded role encompasses special projects across Bay Area markets
- Manage dispatch and routing for restaurant pickups and office deliveries in Silicon Valley, overseeing over 3,000 meals and 60 drivers daily
- Handle all restaurant relations in Silicon Valley; spearhead project to improve vegan/vegetarian optionality throughout Bay Area markets
- Launched and own initiative to convert nearly 200 Bay Area restaurant partners to use certified compostable packaging for takeout orders

### The Harry Banana

San Francisco, CA

*Owner and Operator*

2018 – Present

- Founded my own small food business, selling raw vegan treats from a mobile food unit on weekends (@theharrybanana)
- Develop and prepare original recipes, source organic ingredients, and ensure products adhere to food safety regulations
- Manage business operations, including finances and accounting, permitting, social media presence, and sourcing compostable packaging

### Noosh, Cow Marlowe

San Francisco, CA

*Server*

2018 – 2019

- Hired onto the opening team of two restaurants, helping to establish a high standard of service for a wide range of clientele
- Regularly trusted to serve and interface with investors and high-value private event groups

### Atlanta Eats

Atlanta, GA

*Intern*

Spring 2017

- Published monthly blog posts reviewing vegan-friendly restaurants and food options in the greater Atlanta area
- Researched and visited numerous restaurants to sample plant-based dishes and share my experiences with online followers

### Mother Juice

Boston, MA

*Barista*

Summer 2015, '16, '17

- Served at a popular raw vegan eatery and managed their Instagram account and social media presence
- Contributed several of my own original recipes to the store's full-time menu

## LEADERSHIP

### Center for the Study of Human Health, Emory University

Atlanta, GA

*Outstanding Student Leader Award Recipient*

April 2018

- Selected among all graduating Human Health students for my involvements on campus promoting health and well-being

### Healthy Eating Partners, Emory University

Atlanta, GA

*Executive Partner*

2015 – 2018

- Worked directly with Emory's administration to encourage a healthier, more sustainable on-campus dining environment
- Coordinated healthy-eating programs around campus centered around nutritional education

### Campus Kitchens, Emory University

Atlanta, GA

*Executive Communications Coordinator*

2015 – 2017

- Collected and repurposed food waste from on-campus dining facilities to be delivered to food banks and homeless shelters throughout Atlanta, recovering 4,243 lbs. of food and making 3,435 servings in a single academic year
- Awarded Emory's *Outstanding Service/Volunteer Program of the Year* in April 2016

### 1836 Dinners, Emory University

Atlanta, GA

*Organizer and Host*

2016 – 2018

- Selected by Emory administrators to coordinate monthly dinners, fostering productive conversation between students and faculty

**Additional Involvements at Emory:** Resident Advisor, Campus Tour Guide, Pride Alliance Representative
